### 1. Opening Meeting

#### 1.1 Confirm Minutes

#### 1.2 Interests Register

### 2. Major Decisions and Discussions

#### 2.1 Budget

Presentation & The Budget 2023:

- Engagement and retention rates
  - Not a lot of data collected on positive things that have happened such as students into work etc. We need to obtain more data in this area
  - Re-classification of students - The Principal would like to address this later in the year. Why is this happening and is it having an effect?
- Data over the year regarding attendance
  - Regular attendance rates
- Progress with the junior achievement is positive - but there are still needs when addressing literacy and areas to work on
- Board funded position - link to the needs to accelerate learning and gain success at Year 11
- Overview of our curriculum and how it relates to the budget

- Three aspects - foundation/modules/hubs explained. Passion projects/interest to drive learning and linking into the values of the school (worked on by SLT, staff and curriculum review data)
- Had a really positive start to the year e.g. Mana Week, Student Choice via Hubs
- Is it for three year groups? No, all five year groups 9 to 13.
- Why would we have a target of 65%? Who set that? That's what the data was telling us that that is what we are likely to achieve.
- Changing mindsets around NCEA
- Engagement & Retention - How can we improve in that area to get better results for our students

### Budget 2023
